IMPORTANT INFORMATION ABOUT STUDENT DROP OFF & PICK UP

Dear Parents/Caregivers,

We are asking for your understanding and support in rectifying some issues around **DROP OFF & PICK UP** of OLN students in the morning and afternoon.

We use Somers Street as our **official** and **only** 'Drop Off' and 'Pick Up' for students in both the morning and afternoon. The reason behind this is predominantly for the safety of our students, but also for maintenance reasons. We ask that **ALL** families use the Somers Street 'Drop Off' and 'Pick Up' only and **NOT** the Church driveway. If you need to come into the school grounds, we do ask for you to park in the marked bays and walk down to the school. The Church driveway is in dire need of repair and therefore can only cope with minimal use.

When using the Somers Street 'Drop Off' and 'Pick Up', please remember the following:

- Adults are **NOT** to get out of the car, our students are very capable of exiting and entering cars independently;
- Be mindful that others are waiting behind you, so be as quick (but also safe) as possible;
- Drive to the end of the street to turn around in the turning circle, thanks for **NOT** driving into the driveway and doing a three point turn;
- Keep smiling, 'Drop Off' and 'Pick Up' does not always flow as smoothly as it should, so thanks for your patience;
- If you need to park, use the marked bays at the top of the street, as Somers St is already congested with neighbours cars, we do not need any more congestion!

Thank you all for your support and understanding of the importance of not only maintaining our grounds to the best of our abilities, but most importantly, keeping our children safe!

If you have any questions or concerns please contact the office.

With sunshine,

Mrs Lisa Samojlowicz
Principal
