

Next Working Bee for the NEW PLAYGROUND!

Saturday 17th June!

Our first working bee was a huge success! Thanks to all who came. We made great progress towards building retaining walls around the new play areas.

The next PLAYGROUND WORKING BEE will be held on Saturday 17th June 2017.

The plans for the playground can be viewed outside the office or on the notice board outside the toilet block.

Jobs for the next working bee

- Drainage installation
- Construction of the retaining walls

For the day please bring closed shoes or gum boots (area can be very muddy), gloves and a shovel if possible. Heavy lifting will be involved. Lunch will be provided.

Email olnschoolcouncil@gmail.com or complete and return to the office the slip below.

Thank you! Call Chris Neal 0468 302 782 if you require more information.

Please return the slip by **Wednesday 14th June** for job allocation and catering purposes.

PLAYGROUND WORKING BEE

Yes I would like to help work on the new OLN playground
