

Working Bee for the NEW PLAYGROUND!

Exciting news!

Now that the weather has cleared and the playground has dried out:

**the rescheduled PLAYGROUND WORKING BEE will be held on
Saturday 27th May 2017!**

The plans for the playground can be viewed outside the office or on the notice board outside the toilet block.

Preliminary excavation has already occurred thanks to some hard-working parents. The more work we do ourselves, the more money we save! We need as many hands as possible on the 27th of May.

Jobs and tasks for the working bee will include:

- Moving landscaping products to the work area
- Setting string lines for retaining walls
- Digging out holes for posts and setting posts
- Starting to build the retaining walls

For the day please bring along closed shoes, gloves and a shovel, if possible. Lunch will be provided. Email

olnschoolcouncil@gmail.com or complete and return the slip below to the office ASAP. Thank you! Call Chris Neal 0468 302 782 if you require more information.

Please return the slip by **Tuesday 23rd May** for job allocation and catering purposes.

Thanks in advance,

The Parent Council
