## It's time for a Working Bee! Who's willing & able?

Dear OLN Community,

We have had some pretty amazing volunteers working on our top playground in their own time and they have reached the stage where all that's left to do, is mulch and then the kids can be exploring this new and improved part of their playground.

Therefore, we are asking for any volunteers that can bring a shovel, rake, gloves, perhaps a wheelbarrow and help us move a lot of mulch into these new areas. At the same time and while we have mulch galore, we can also get some long overdue weeding and re-mulching done in our other gardens. We are planning for some Enrolment Information sessions early next term and want to be able to present our school in the best light we possibly can. And as they say: 'Many hands make light work!' So who is up for it?

The Working Bee will go ahead on:

**Saturday the 28th April**  
**between 8:30am and 12noon**

If you can make it to the Working Bee please fill in the slip and return to school before Friday the 13th of April. Thanks in advance for the generosity of your time and muscle power! Hopefully I'll see you there!

With sunshine,

Lisa Samojlowicz  
Principal & Fellow Gardener

# OLN Working Bee!

## Saturday the 28th April

Yes I/we would love to come along to the OLN Working Bee on Saturday the 28th of April between 8:30am and 12noon.

My name is: \_\_\_\_\_

I will be able to bring along a

SHOVEL

RAKE

WHEELBARROW
