Dear Parents and Carers

Car parking and student 'drop off and pick-up' in Somers Street.

As we commence the new year, it is timely to address the traffic situation in Somers Street. In consideration of the safety of our children and the residents of this street and surrounding areas, the following guidelines need to be implemented immediately;

- **NO DRIVER** is to attempt to turn in school driveways. All drivers should turn at the *end* of Somers Street and proceed to park on the school side of Somers Street (the western side of the street).
- **NO DRIVER** is to park on the eastern side of Somers Street (opposite side of the school) for the full length of the school boundary.
- **NO DRIVER** is to park at the front of the Church or between the Church and the Presbytery.
- The Parent Pick Up/Drop Off line is designed to assist students who are able to exit and enter the vehicle without driver assistance. If your child requires assistance parents may be better suited to park their vehicle and enter the playground with their child.
- Parking is available in the Convent grounds entering from the driveway at Somers Street.
- If you are parking in the convent grounds please travel **ONE WAY** entering in front of the Presbytery and exiting at the driveway in front of the Church.
- Additional parking is available in Kitchener Street/Mary Street outside Santa Maria Centre.
- Please ensure that preschool children are well supervised and do not enter areas such as garden beds.

Your cooperation in the above is of major importance and I know that you will work with us to ensure our children's safety.

Yours sincerely

Mrs Lisa Samojlowicz
