

OLN CROSS COUNTRY POSTPONED

Dear Parents & Carers,

Due to recent wet weather conditions, the Cross Country track within the School grounds is not in a suitably safe condition to allow the running of the carnival.

Weather forecasts for next week indicate that the best option to run the Cross Country Carnival will be

TUESDAY 20TH MARCH

All other details as mentioned in our note sent home on 9th February remain the same.

We will need the assistance of Parent Helpers on the day, and apologise for any inconvenience this change in date may have.

Yours sincerely,

Lisa Samojlowicz
